About V2J Solutions

V2J SOLUTIONS was founded by an Ex. Army / Hony. Officer Mr. Bhaskar Shetty G, was corps of signals in Indian Army. He has also served as a personal guard for a Union Minister, Government of India. We are glad to introduce ourselves as V2J SOLUTIONS an organization started in the year 2012, with the motive of specialization in providing security services. Our managers have a minimum 10 to 15 years of experience in security field. Our Success lies in our determination to source right kind of people to the job concerned, train them professionally with continuous supervision, getting feedback from the site as well as from the customers and willing to improve upon the quality of service. We aim to be your preferred security provider through choice.

Our track record of past Eight years has established **V2J SOLUTIONS** as a leading provider of well trained security and fire fighting personnel. Based on our service efficiency and professionalism, our clients tend to continue with our services on a long term basis. Now we have manpower of 350 personnel in various sites Bangalore, Hassan, Mysore, and Chennai also.

We provide security guards both armed as well as unarmed, Bouncer, Personal Body guards on the client's requirements.

OUR MISSION

To provide highest quality of total security solutions to our coveted clients by continuous setting of new goals for achievement.

OUR VISION

To become a leading provider of security and Allied service at national level with quality in people, training and services.

- * Commercial
- * Residential
- * Government Departments
- * Educational Institution
- * Shopping Malls
- * Apartments

OPERATIONAL FUNCTIONING

OPERATIONAL FUNCTIONING

We achieve efficient and effective operations through the following stages:

- Transition Period
- Mounting of Security Personnel
- Quality Checks and Controls
- Taking Feedback from the Clients

We provide guaranteed quality and cost effective services. Pride and Loyalty cannot be bought. It is had earned through leading the industry by being the best by treating our personnel fairly and by paying fair wages and meeting statutory liabilities in compliance with government rules and regulations.

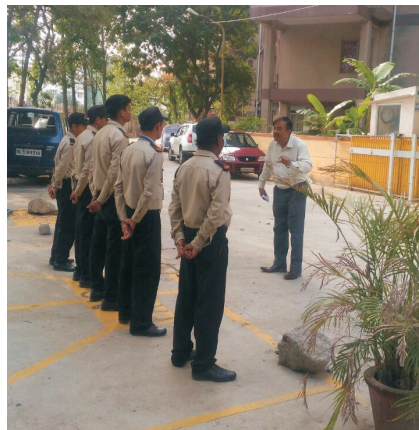

SUPERVISION

To ensure high degree of alertness, a system of surprise checks has been instituted. Our Field Officers check all posts of their zones 6 to 7 times a week.

ROTATION OF GUARDS

To preclude the possibility of complacency and avoid over familiarization, the guards are rotated on regular basis. However, in case of specific request from the client, a guard may be permitted to continue over the stipulated time.

VALUE ADDED SERVICES

OUR GUARDS

We strongly believe that our guards are the backbone and therefore their performance and personality reflect upon our Standards. To ensure that the guards match up to the high standards in quality, all our guards have to undergo a selection process where they are screened for their qualities of intelligence, interest, courtesy, integrity and motivation and individuals who can operate under stressful situation and communicate well.

TRAINING FACILITY

We provide training facility to the newly recruited guards. Our main subject of training includes basic training on security, guest handling, reception and telephone related duties, industrial security, fire fighting and prevention handling of contingencies and crisis management etc. Refresher training of one to two days is also organized for the experienced security personnel.

RECRUITMENT

Adapting to the special needs of our client's and individualizing our services is our company policy. Hence guards are recruited for each post keeping in mind the personality and profile desired by the client. Our essential recruitment Qr.'s is as follows:

Must be physically fit and mentally robust.

Minimum height should be 5'6".

Should be minimum matriculate but intermediates are preferred and in the span of 21-40 years.

Should be able to read and write Hindi and English.

VALUE ADDED SERVICES

OUR STANDARDS

- * We as a policy do not supply guards at random. We insist that they should be inducted as a viable team after Security survey / Audit.
- * We pay the best salaries in the industry and follow all statutory norms of the state governments.
- * We look forward eagerly to hearing from you.
- * We assure you of our dedicated and best service at all times.
- * Our manpower deploying sites details given bellows.

VALUE ADDED SERVICES

1. We have Manager Training field officers based at major locations responsible for complete operational activities of the concerned areas.
2. Availability of 24 hours manned Security Control Room to respond to client management as well as the guards deployed.
3. Constant supervision of the guards at no extra cost due to the visits by Field Officers.
4. On the job training at the post regularly to include knowledge of the guard about his duty post, reactions in the event of any contingency and capability of the guarding team.
5. Creating and maintaining a "Security Presence" and high visibility by various means in order to detect crime and to give visitors and staff a comfortable and secure feeling in the client's premises.
6. Our entire operational staff is equipped with mobile phones on requirement basis for prompt communication.
